U.S. Notes (con.)

- (d) Heading 9903.74.03 applies to medium- and heavy-duty vehicles described in this subdivision, upon approval from the Secretary of Commerce. For any medium- and heavy-duty vehicle that is classified in one of the subheadings of the HTSUS listed in subdivision (b) of this note and eligible for special tariff treatment under the United States-Mexico-Canada Agreement (USMCA), importers of such vehicles may submit documentation to the Secretary of Commerce identifying the amount of U.S. content in each vehicle imported into the United States. "U.S. content" refers to the value of the medium- or heavy-duty vehicle attributable to U.S.-based activity supporting domestic production, as determined by the Secretary of Commerce. Thereafter, the Secretary may approve imports of such vehicles to be eligible to apply the *ad valorem* rates of duty exclusively to the value of the non-U.S. content of the vehicle. The non-U.S. content of the vehicle shall be calculated by subtracting the value of the U.S. content in a vehicle from the total value of the vehicle.

Any importer entering a medium- and heavy-duty vehicle covered by this note under heading 9903.74.03 shall provide any information that may be required, and in such form, as is deemed necessary by CBP in order to permit the administration of this heading.

Goods for which entry is claimed under a provision of chapter 98 and which are subject to the additional duties prescribed herein shall be eligible for and subject to the terms of such provision and applicable CBP regulations, except that duties under subheading 9802.00.60 shall be assessed based upon the full value of the imported article. No claim for entry or for any duty exemption or reduction shall be allowed for the vehicles enumerated in subdivision (b) of this note under a provision of chapter 99 that may set forth a lower rate of duty or provide duty-free treatment, taking into account information supplied by CBP, but any additional duty prescribed in any provision of this subchapter or subchapter IV of chapter 99 shall be imposed in addition to the duty in heading 9903.74.03. All antidumping, countervailing, or other duties and charges applicable to such goods shall continue to be imposed in addition to the duty in heading 9903.74.03.

- (e) Heading 9903.74.05 applies to entries of articles that are classifiable under provisions of the HTSUS enumerated in subdivision (b) of this note but that are not medium- and heavy-duty vehicles.

- (h) Except as provided for in headings 9903.74.10 and 9903.74.11, headings 9903.74.08 and 9903.74.09 provide the ordinary customs duty treatment applicable to all entries of medium- and heavy- duty vehicle parts from all countries classifiable in the provisions enumerated in subdivision (i) or that meet the requirements of subdivision (j) of this note.

Except as provided for in subdivision (k) to this note, for any such products that are eligible for special tariff treatment under any of the free trade agreements or preference programs listed in general note 3(c)(i) to the tariff schedule, the duties provided in headings 9903.74.08 and 9903.74.09 shall be collected in addition to any special rate of duty otherwise applicable under the appropriate tariff subheading. Goods for which entry is claimed under a provision of chapter 98 and that are subject to the additional duties prescribed herein shall be eligible for and subject to the terms of such provision and applicable CBP regulations, except that duties under subheading 9802.00.60 shall be assessed based upon the full value of the imported article. All antidumping, countervailing, or other duties and charges applicable to such goods shall continue to be imposed in addition to the duty in headings 9903.74.08 and 9903.74.09, except that entries of medium- and heavy-duty vehicle parts shall not be subject to:

## SUBCHAPTER IV

### SAFEGUARD MEASURES PURSUANT TO THE AGREEMENT ON AGRICULTURE AND ADDITIONAL IMPORT RESTRICTIONS ESTABLISHED PURSUANT TO SECTION 22 OF THE AGRICULTURAL ADJUSTMENT ACT, AS AMENDED

XXII  
99-IV-1

#### U.S. Notes

1. This subchapter contains safeguard measures established pursuant to Article 5 of the Agreement on Agriculture (as approved by section 101 of the Uruguay Round Agreements Act), which allows the imposition of additional duties based upon either the value or the quantity of goods imported into the United States for certain agricultural products. In addition, the subchapter contains provisions which may be proclaimed pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U.S.C. 624). All of the duties provided for in this subchapter are cumulative duties which apply in addition to the duties, if any, otherwise imposed in the tariff schedule on the goods described herein. Unless otherwise stated, the duties or limitations provided for in this subchapter apply until suspended or terminated. Goods of the following countries imported into the United States shall not be subject to any of the provisions, duties or limitations of this subchapter:  
  
Canada, Mexico, Jordan, Singapore, Chile, Australia, Morocco, El Salvador, Honduras, Nicaragua, Guatemala, Bahrain, Dominican Republic, Costa Rica, Peru, Oman, Korea, Colombia, Panama
2. The provisions imposing safeguard duties based upon value set forth in this subchapter shall apply to all goods described herein (other than sheep meat, which is not subject to safeguard duties based upon value) except during periods announced in the Federal Register by the Secretary of Agriculture in consultation with the United States Trade Representative as the effective periods of the provisions imposing safeguard duties based upon quantity with respect to such goods, during which period the safeguard duties based upon value shall be deemed suspended and only the safeguard duties based upon quantity shall apply to such goods. Unless the Secretary of Agriculture invokes safeguard duties based upon quantity for specified goods and so announces in the Federal Register (as provided in the first sentence of this note), the tariff provisions providing for such duties shall be deemed suspended and shall not apply to the goods described herein. No safeguard duties based upon quantity shall apply to goods en route on the basis of a contract settled before the effective date of such measures specified in a notice issued by the Secretary of Agriculture.
3. For the purposes of this subchapter, imports of peanuts in the shell shall be charged against the quantities in this note on the basis of 75 kilograms for each 100 kilograms of peanuts in the shell.

## SUBCHAPTER VIII

### TEMPORARY MODIFICATIONS ESTABLISHED PURSUANT TO THE AGREEMENT WITH ISRAEL CONCERNING CERTAIN ASPECTS OF TRADE IN AGRICULTURAL PRODUCTS

XXII  
99-VIII-1

#### U.S. Notes

1. This subchapter contains temporary modifications of the provisions of the tariff schedule established pursuant to the United States' agreement with Israel concerning certain aspects of trade in agricultural products, dated November 4, 1996. Products of Israel eligible for benefits of the agreement when imported into the customs territory, and described in the provisions of this subchapter for which quantitative limits are prescribed along with rates of duty followed by the symbol "(IL)" are herein provided, are subject to duty under the provisions and at the rates set forth in this subchapter in lieu of the rates provided therefor in chapters 1 through 97 in rates of duty column 1 when entered in quantities that are within the limits provided in this subchapter. Notwithstanding quota provisions elsewhere in the tariff schedule, eligible products of Israel shall be permitted to enter the United States to the extent and at the duty rates herein provided. No goods entered under the quantitative limits set forth in this subchapter shall be counted toward any quota or tariff-rate quota provided for such goods elsewhere in the tariff schedule. No other preferential tariff treatment provided for elsewhere in the tariff schedule shall be afforded to goods described in the provisions of this subchapter. Effective with respect to goods entered, or withdrawn from warehouse for consumption, on or after January 1, 2004, no eligible products of Israel entered under the provisions of this chapter shall be subject to additional duties under subchapter IV of this chapter. Unless otherwise provided, the provisions and notes in this subchapter are effective as to such products of Israel that are entered, or withdrawn from warehouse for consumption, on or after December 4, 1996, and through the close of December 31, 2025, after which date this subchapter shall cease to apply to any goods entered after that date.
2. Wherever goods are described by a provision of this subchapter and accorded a temporary modification of the otherwise applicable duty or quota treatment from chapters 1 through 97 of this schedule, the reporting number, in the absence of specific instructions providing otherwise, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the appropriate subheading number from this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.

### MODIFICATIONS ESTABLISHED PURSUANT TO THE UNITED STATES-MOROCCO FREE TRADE AGREEMENT

XXII  
99-XII-I

#### U.S. Notes

1. This subchapter contains modifications of the provisions of the tariff schedule established pursuant to the United States-Morocco Free Trade Agreement. Goods of Morocco, entered under the terms of general note 27 to the tariff schedule, and described in subheadings 9912.02.05 through 9912.99.40 of this subchapter for which a rate of duty followed by the symbol "(MA)" is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided therefor in chapters 1 through 97. Originating goods of Morocco entered into the United States under the provisions of subheadings 9912.02.05 through 9912.52.40 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Unless otherwise provided U.S. notes 3 through 16 and subheadings 9912.02.05 through 9912.52.40 of this subchapter are effective as to such goods of Morocco entered, under general note 27 to the tariff schedule, through the close of December 31, 2020 and shall be deleted from the tariff schedule at the close of such date. U.S. notes 17 through 62 and subheadings 9912.61.01 through 9912.63.26 sets forth the tariff treatment for certain apparel articles. U.S. note 63 and subheadings 9912.95.01 through 9912.96.11 sets forth the safeguard measures for originating goods of Morocco based upon the value of goods imported into the United States for certain agricultural products. For purposes of U.S. notes 64 and 65 to this subchapter and pertinent headings, this subchapter sets forth the tariff treatment that is available to the specified imports from Morocco during the time period indicated therein. At the close of December 31, 2023, this subchapter shall be deleted from the tariff schedule and shall cease to apply to any goods entered after that date. **[Compiler's note: The subchapter is left in the tariff schedule until the close of 2024 in order to facilitate the liquidation of related entries and resolution of disputes.]**
2. Whenever goods are classifiable under a provision for which the modification of the applicable United States-Morocco Free Trade Agreement rate of duty is provided for in a subheading in this subchapter, the reporting number, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number of this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.

Originating goods of Australia entered into the United States under the provisions of subheadings 9913.02.05 through 9913.52.40 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Unless otherwise provided, the provisions and notes of this subchapter are effective as to such originating goods of Australia entered, under general note 28 to the tariff schedule, through the close of December 31, 2022, at the close of which date this subchapter shall be deleted from the tariff schedule and shall cease to apply to any goods entered after that date. **[Compiler's note: To facilitate Customs clearance of entries and at CBP request, the subchapter will be deleted at the close of 2023. No provisions of this subchapter apply to new entries on or after January 1, 2023.]**

For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.

Annotated for Statistical Reporting Purposes

[SUBCHAPTER XIV deleted]

**Compiler's note:** Prior to January 1, 2016, subchapter XIV set forth temporary provisions established pursuant to the U.S. Bahrain Free Trade Agreement (see general note 30 to the tariff schedule). Under the terms of U.S. note 1 to that subchapter, the entire subchapter was deleted at the close of December 31, 2015. However, Presidential Proclamation 9223 of December 23, 2014 (79 F.R. 78681) provided that the effective period of U.S. note 13 to that subchapter and the related heading, 9914.99.20, was extended through the close of July 31, 2016. Accordingly, those provisions were restated in archive versions of this subchapter (see online HTS archive) with pertinent rate line in accordance with that proclamation; format is not identical to 2015 HTS.

## SUBCHAPTER XV

### MODIFICATIONS ESTABLISHED PURSUANT TO THE DOMINICAN REPUBLIC-CENTRAL AMERICA-UNITED STATES FREE TRADE AGREEMENT

XXII  
99-XV-1

#### U.S. Notes

1. This subchapter contains temporary tariff provisions established pursuant to the Dominican Republic-Central America-United States Free Trade Agreement. Goods of a party to the Agreement as defined in general note 29(a) to the tariff schedule, and described in subheadings 9915.02.05 through 9915.21.20 of this subchapter for which a rate of duty followed by the symbol "P+" in parentheses is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided therefor in chapters 1 through 97. Unless expressly modified, the quantities set forth in U.S. notes 4 through 14 to this subchapter are specifically allocated to such country and year in the note and shall not be reallocated to any other country or year. Goods of a party to the Agreement that are entered into the United States under the provisions of subheadings 9915.02.05 through 9915.21.20 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Goods of a party to the Agreement as defined in general note 29(a) to the tariff schedule, and described in subheading 9915.50.01 (or in any subsequent subheadings of this subchapter which may hereafter be established), are subject to duty at the special rate of duty set forth therein in lieu of the special rate of duty provided for in chapters 1 through 97 or subchapter II of chapter 98 of the tariff schedule, unless such goods are entered at the appropriate general duty rate provided for in chapters 1 through 97 of the tariff schedule. At the close of December 31, 2025, this subchapter shall be deleted from the tariff schedule and shall cease to apply to any goods entered after that date. **[Compiler's note: The provisions of this subchapter have expired but will be retained in the HTS through the close of December 31, 2026, to facilitate Customs processing of entries.]**
2. For purposes of this subchapter, the term "goods described in U.S. note 2 to this subchapter" means goods entered under subheadings 9915.02.05 through 9915.21.20, inclusive. Such goods must satisfy the requirements of general note 29(a) to the tariff schedule, except that operations performed in, or material obtained from, the United States shall be considered as if the operations were performed in, and the material was obtained from, a country that is not a party to the Agreement as defined in general note 29(a) to the tariff schedule. For purposes of determining which country-specific tariff-rate quota applies to such a good, the nonpreferential rules of origin used in the normal course of trade shall be applied.
3. Whenever goods are classifiable in a provision of chapters 1 through 97 of the tariff schedule (referred to herein as "basic provision") for which the applicable duty rate is set forth in a subheading in this subchapter, the reporting number for such goods, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number from this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.

### MODIFICATIONS ESTABLISHED PURSUANT TO THE UNITED STATES-PERU TRADE PROMOTION AGREEMENT

XXII  
99-XVII-1

#### U.S. Notes

1. This subchapter contains modifications of the provisions of the tariff schedule established pursuant to the United States-Peru Trade Promotion Agreement. Goods of Peru, entered under the terms of general note 32 to the tariff schedule, and described in subheadings 9917.04.10 through 9917.04.69 of this subchapter for which a rate of duty followed by the symbol "(PE)" is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided therefore in chapters 1 through 97. For purposes of this subchapter, notwithstanding any other provisions of the tariff schedule, the term "goods of Peru, under the terms of general note 32 to the tariff schedule" means goods of Peru that satisfy the requirements of general note 32 to the tariff schedule, except that operations performed in, or material obtained from, the United States shall be considered as if the operations were performed in, and the material was obtained from, a country that is not a party to the Agreement as defined in general note 32 to the tariff schedule. Such goods of Peru entered into the United States under the provisions of subheadings 9917.04.10 through 9917.04.69 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Unless otherwise provided, U.S. notes 3 through 5 and subheadings 9917.04.10 through 9917.04.69 of this subchapter are effective as to such goods of Peru entered, under general note 32 to the tariff schedule, through the close of December 31, 2025 and shall be deleted from the tariff schedule at the close of such date.
2. Whenever goods are classifiable under a provision for which the modification of the applicable United States-Peru Trade Promotion Agreement rate of duty is provided for in a subheading in this subchapter, the reporting number, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number of this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.
3. (a) The aggregate quantity of originating goods of Peru entered under subheading 9917.04.10 in any calendar year shall not exceed the quantity specified below for that year.

## SUBCHAPTER XVIII

### MODIFICATIONS ESTABLISHED PURSUANT TO THE UNITED STATES-COLOMBIA TRADE PROMOTION AGREEMENT

XXII  
99-XVIII-1

#### U.S. Notes

1. This subchapter contains modifications of the provisions of the tariff schedule established pursuant to the United States-Colombia Trade Promotion Agreement. Goods of Colombia, entered under the terms of general note 34 to the tariff schedule, and described in subheadings 9918.02.01 through 9918.24.11 of this subchapter for which a rate of duty followed by the symbol "(CO)" is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided therefor in chapters 1 through 97. Originating goods of Colombia entered into the United States under the provisions of subheadings 9918.02.01 through 9918.24.11 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Unless otherwise provided U.S. notes 3 through 9 and subheadings 9918.02.01 through 9918.24.11 of this subchapter are effective as to such goods of Colombia entered, under general note 34 to the tariff schedule, through the close of December 31, 2026 and shall be deleted from the tariff schedule at the close of such date. For purposes of this subchapter, goods are "originating goods of Colombia" eligible for the benefits accorded to goods entered under the quantitative limitations set forth in U.S. notes 3 through 9 of this subchapter if they satisfy the requirements set forth in general note 34(o) to the tariff schedule, except that operations performed in, or material obtained from, the United States shall be considered as if the operations were performed in, and the material was obtained from, a country that is not a party to the agreement identified in the first sentence to this note.
2. Whenever goods are classifiable under a provision for which the modification of the applicable United States-Colombia Trade Promotion Agreement rate of duty is provided for in a subheading in this subchapter, the reporting number, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number of this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.
3. (a) Subject to the last sentence of this subdivision, the aggregate quantity of originating goods of Colombia entered under subheading 9918.02.01 in any calendar year shall not exceed the quantity specified below for that year.

## SUBCHAPTER XIX

### MODIFICATIONS ESTABLISHED PURSUANT TO THE UNITED STATES-PANAMA TRADE PROMOTION AGREEMENT

XXII  
99-XIX-1

#### U.S. Notes

1. This subchapter contains modifications to the tariff schedule established pursuant to the United States-Panama Trade Promotion Agreement. Goods of Panama, entered under the terms of general note 35 to the tariff schedule and described in subheadings 9919.04.10 through 9919.61.12 of this subchapter for which a rate of duty followed by the symbol "(PA)" is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided therefore in chapters 1 through 97. Such goods of Panama entered into the United States under the provisions of subheadings 9919.04.10 through 9919.61.12 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule.

Unless otherwise provided, U.S. notes 1 through 7 and subheadings 9919.04.10 through 9919.61.12 of this subchapter are effective as to such goods of Panama entered, under general note 35 to the tariff schedule, through the close of December 31, 2028 and shall be deleted from the tariff schedule at the close of such date.

2. Whenever goods are classifiable under a provision for which the modification of the applicable United States-Panama Trade Promotion Agreement rate of duty is provided for in a subheading in this subchapter, the reporting number, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number of this subchapter. For statistical purposes, both the basic provision's statistical reporting number and the applicable heading or subheading number from this subchapter shall be collected by the United States Bureau of Census.
3. The aggregate quantity of originating goods of Panama entered under subheading 9919.02.01 in any calendar year shall not exceed the quantity specified below for that year.

## SUBCHAPTER XX

### MODIFICATIONS ESTABLISHED PURSUANT TO THE UNITED STATES-KOREA TRADE PROMOTION AGREEMENT

XXII  
99-XX-1

#### U.S. Notes

1. This subchapter contains modifications of the provisions of the tariff schedule established pursuant to the United States-Korea Free Trade Agreement. Goods of Korea, under the terms of general note 33 to the tariff schedule, entered and described in any of subheadings 9920.04.10 through 9920.85.02 of this subchapter for which a rate of duty followed by the symbol "(KR)" is herein provided, are subject to duty at the rate set forth in this subchapter in lieu of the rate provided in chapters 1 through 97. For purposes of this subchapter, notwithstanding any other provisions of the tariff schedule, the term "goods of Korea, under the terms of general note 33 to the tariff schedule" means goods of Korea that satisfy the requirements of general note 33 to the tariff schedule, except that operations performed in, or material obtained from, the United States shall be considered as if the operations were performed in, and the material was obtained from, a country that is not a party to the Agreement as defined in general note 33 to the tariff schedule. Such goods of Korea entered into the United States under the provisions of subheadings 9920.04.10 through 9920.85.02 are not subject to any of the provisions, duties or limitations of subchapter IV of chapter 99 of the tariff schedule. Unless otherwise provided, the provisions of this subchapter are effective as to such goods of Korea, under general note 33 to the tariff schedule, entered through the close of December 31, 2026 and shall be deleted from the tariff schedule at the close of such date.
2. Whenever goods are classifiable under a provision for which the modification of the applicable United States-Korea Free Trade Agreement rate of duty is provided for in a subheading in this subchapter, the reporting number, in the absence of specific instructions to the contrary, shall be the appropriate statistical reporting number for the basic provision (the appropriate provision for classification purposes in chapters 1 through 97) preceded by the subheading number of this subchapter. For statistical purposes, both the basic provision statistical reporting number and the applicable subheading number from this subchapter shall be collected by the United States Bureau of Census.
3. The aggregate quantity of originating goods of Korea entered under subheading 9920.04.10 in any calendar year shall not exceed the quantity specified below for that year.
